SUGGESTED SYLLABUS

We are excited to offer individual educator coaching workshops to provide you with personalized guidance and support as you implement our curriculum in your classroom.

Our coaching sessions are designed to be flexible and customizable to meet your unique needs and goals as an educator. While we suggest a syllabus for our coaching sessions, you have the freedom to choose the exact sequence of learning or focus of study that works best for you.

Individual coaching offers numerous benefits to educators, including personalized attention, expert guidance, and a space to ask questions and receive feedback. We understand that every classroom and educator is unique, and we want to support you in making the most of our curriculum to benefit your students.
